Zürich, August 24th 2026

Letter of intent — Auto Shrooms,

Blobfish Games GmbH intends to act as **applicant and project sponsor** for the video game **Auto Shrooms** (working title) in the Pro Helvetia call *Game Design Emerging Talents: pre-production* (deadline 1 September 2026).

The Game is authored and developed by **Pedro Maria Caldeira** (design, programming, game art), a Swiss citizen working in Zürich. **Stephanie Stutz** (Swiss citizen, Zürich) will provide background art. I will mentor the project as managing director of Blobfish. Place of work for the project is **Zürich**.

Blobfish was entered in the commercial register of the Canton of Zürich on **16 May 2023**. A current extract is enclosed as proof of Emerging Talent status. Copyright and rights of use for the application are held by Blobfish as sponsor under a **co-ownership and rights-of-use agreement** with Pedro Caldeira, also enclosed.

If Pro Helvetia awards up to CHF 20,000, Blobfish will receive the contribution and **pass it through to Pedro Caldeira as developer costs**. Blobfish will retain **CHF 1,000** for administration and marketing. Pedro Caldeira will co-fund the project with a further **CHF 20,000**. The same part of Auto Shrooms is **not** funded by another Swiss federal body.

We confirm that we are ready to start on the earliest date allowed and to agree a milestone plan with Pro Helvetia.
